

3207 Uniform Policy

Authority:

Pursuant to Utah Code Ann., 53g-7-802, Maeser hereby adopts this uniform policy. This does not include any additional opt-out provision, except as authorized by the Utah Code referenced above.

Section One, General Information

Purpose:

Maeser believes that education is a serious and consequential endeavor. School is a place apart where students can converse with the sages of the past, grapple with the issues of today, and wonder at the mysteries of tomorrow. In times past, students, scribes, and scholars wore distinctive clothing to set them and their academic activities apart from their regular daily activities. Judges, doctors, athletes, soldiers, and firefighters all wear uniforms when performing their specific duties. Maeser students likewise wear a uniform to acknowledge that they are serious about their academic responsibilities. Wearing clothes that are different from a student's normal, everyday attire indicates that there is something serious and consequential about what they are doing.

Additionally, uniforms help students acquire and refine critical skills by creating a safe and orderly classroom environment. Specifically, uniforms:

1. Help students to focus on their worth as individuals and their role as members of the Maeser community of learners and to avoid identifying self-worth with style of dress.
2. Help students to dress modestly and to respect each other as individuals whose thoughts, speech, and actions determine their influence on others and their value to the community.
3. Help students concentrate on schoolwork by setting a tone for serious study. Because uniforms are standard attire in many academically rigorous secondary schools, their adoption signals high academic expectations to students.
4. Remove distractions created by socioeconomic differences and shifting fashions.
5. Assist administrators, faculty, staff, parents, and students in instantly recognizing intruders.

Uniforms assist students in the development of discipline and a sense of community necessary for successful Socratic instruction. Specifically, uniforms:

1. Build self-esteem, self-respect, and school spirit among students by creating the distinction of being part of an identifiable group and by aiding in eliminating class and socioeconomic distinctions among students.
2. Generate a positive school image in the community through students' orderly, neat, and characteristic (instantly recognizable) appearance.

Enforcement

Enforcement of the uniform policy is the responsibility of the school community including students, teachers, and school Administration. Teachers have the primary responsibility to teach, monitor, and enforce the school uniform policy in the classroom and to encourage students to police themselves and their peers. School administrators have an obligation to enforce the uniform policy and to encourage teachers and students to adhere to and to enforce the uniform policy.

Enforcement of the uniform policy will be as follows:

- On the third (3rd) violation, parents will be informed.
- On the fifth (5th) violation, the student will be suspended from school.
- On the tenth (10th) violation, the student may be recommended for expulsion to the School Board.
- Additional consequences may be assigned by the Administration at the discretion of the school's Director. The School Board, as necessary, will also enforce the uniform policy as outlined in the school's discipline policy.

Opt Out

The Administration will carefully consider all requests for exemptions. All requests for an extenuating circumstances exception to the uniform policy should be accompanied by appropriate documentation from relevant physicians or other healthcare providers, religious authorities, etc. The Administration will develop individual dress guidelines which, insofar as possible, approximate the approved uniform for each student who receives an exemption from the required uniform.

Section Two, Guidelines for Students

Students must present a modest, clean, and neat appearance at all times. Uniforms will be required for all students attending Maeser in accordance with Utah State Law and Maeser's Charter. Uniforms must be the approved style, color, etc., as listed in School Uniform Guidelines for Students and Parents, below.

1. Clothing

- a. Items listed as "required" under the "Full Dress Days" section must be worn on school days or occasions which are designated as "Full Dress Uniform." Only items from the "Full Dress Days" section may be worn on Full Dress Days. Besides regularly scheduled Full Dress Days, other Full Dress occasions will be announced via appropriate school communication channels, and may include assemblies, special guests visit, field trip days, etc.
- b. Items listed in the "Regular School Days" section may be worn on all school days except Full Dress Days.
- c. With the approval and at the discretion of the Administration, "Spirit Days" may be allowed. On Spirit Days, an approved Spirit Shirt may be worn, but all other uniform items remain the same, unless specifically authorized by the Administration.
- d. Uniforms must be worn when on campus. Normally, students should wear school uniforms for official off-campus activities, such as Winterim, extra-curricular programs, and field trips. The Administration may designate exceptions.
 - i. As outlined in its charter, Maeser will supply free uniform items (either new, used, or a combination) each year to each student whose family income would qualify him or her for the Federal Free Lunch program.
 - ii. Students will be permitted to wear non-uniform items which are required by their religious beliefs. For example, hijab, yarmulke, etc. are permitted, except that the face must remain uncovered even if a shawl or other covering is typical to particular religious beliefs or practices.
- e. Jeans or any denim item(s), cargo shorts, cargo pants, any pants/shorts with external pockets (i.e. jeans-type pockets on seat of pants), and "mock" turtlenecks are prohibited.
- f. All clothing must be in good repair, clean, appropriately sized, be modest in fit and length, and worn correctly.

- g. Button-up dress shirts for men and women must be buttoned, including collars, and tucked in.
 - h. Ties, when worn, must be properly adjusted, clothing must be worn right-side-out, and underclothing must not be visible.
 - i. Solid colored underteens in white, navy, or black may be worn.
 - j. Long sleeved shirts may be worn under the approved uniform polo, but must be solid colored in white, navy, or black. Hoodies of any kind may not be worn under the polo.
 - k. Approved hoodies and sweatshirts may be worn, but school approved polos must be worn underneath.
 - l. Shoes should not be distracting. No water/beach shoes, slippers, flip-flops, and dance footwear are prohibited. Tennis shoe laces must be tied.
 - m. Leggings, hose, and socks must be conservative in color and pattern.
 - n. Any appropriate coat, jacket, sweater, sweatshirt, hat, mittens, gloves, snow boots, etc. may be worn to and from school and for warmth during outdoor activities. However, these items must be removed upon entering any building. Approved Maeser blazers, jackets, hoodies, sweatshirts, and sweaters may be worn during school hours in accordance with the uniform policy for regular dress days. Items must be approved and have the approved Maeser logo and be navy blue in color. Neither hats, hoods, shawls, scarves, nor face masks may be worn in school. However, approved face masks may be worn or may be required when local and/or state health departments recommend or mandate them due to community health concerns. The head and face must be uncovered at all times, except as allowed or for exemptions as noted. Bandanas may not be worn.
 - o. Uniform items may not display any identifying brand markings or logos, except for approved school logos on approved items only, must be of the approved fabric, color, style, type, etc., and (except for approved plaid items and men's ties) must be solid-colored.
 - p. Team Apparel
 - i. Only outerwear, meaning jackets, coats, and hoodies can be approved.
 - ii. The main color must be navy blue.
 - iii. There should be minimal accent colors or designs.
 - iv. Any accent colors must be school colors (athletic gold, white).
 - v. Only an official Maeser logo may be used. The name of the team may be added, but the logo cannot be altered. For example, "Maeser Drama" under an official logo would be permissible, but "Maeser Shakes" next to a generic lion-head would not be allowed.
 - vi. The only other permissible decoration would be a team name, player name, or player number.
 - vii. *School administration must approve designs and costs before ordering.*
2. Grooming and Appearance
- a. Hair must be kept neat, clean, and well-groomed. If a hairstyle is deemed distracting by an administrator for any reason, that style will not be permitted. Eyes must be visible. No designs or carvings (including mohawks) are permitted. No unnatural hair colors are permitted. Facial hair is not permitted. Sideburns may not extend beyond the earlobe or onto the cheek.
 - b. Makeup may not be distracting. Teachers and administrators may prohibit makeup which is distracting, inappropriate, or unnatural-looking in their opinion. Glitter, artificial tattoos, etc. are prohibited. Permanent tattoos must be covered.
 - c. Jewelry may not be distracting. Students wearing distracting jewelry will be asked to remove any such items. Body piercing jewelry, including nose piercing, is

prohibited, except that young women may wear modest, non-distracting earrings. Men may not wear earrings. Gauge-style earrings are not permitted.

3. The Administration may not change the designated uniform or policy, but may prohibit items not addressed in this policy if those items are deemed to be distracting or inappropriate. If a teacher is unsure whether something is permitted or not, they should refer the student to Administration for clarification.
4. Participants in school performances and activities, such as debate events, concerts, or recitals, are required to follow a dress code. At the option of the teacher, students may either wear the Maeser full-dress uniform (preferred), or request permission from the Administration for an event dress code that follows the guidelines and principles embodied in the school uniform policy.
5. Theatrical performances requiring costuming should follow the basic principles described in the school uniform policy and should reflect the school's values of modesty and decency. Performers represent Maeser and their appearance should reflect the school's values and mission.
