

6404 Nepotism Policy

Maeser strives to recruit, hire, and retain the best candidates for employment, regardless of their relationship or non-relationship to Board members, administrative personnel, teachers, and/or other employees. Should a prospective employee be a relative of any Maeser employee or Board member, the related employee or Board member shall recuse him or herself from the hiring process for that individual. Employees who may be related are not to report directly to their relative for professional duties.
